MEMORANDUM FOR EXECUTIVE SECRETARY, NATIONAL FOREIGN INTELLIGENCE COUNCIL
Attention: CIA/OGC

STAT

Room 7B07
CIA Headquarters
Washington, DC 20505

SUBJECT: Proposed Defense Department Changes to EO 12036

Attached is a spread-sheet set of proposed changes to Sections 1, 3 and 4 of Executive Order 12036 reflecting the views of Defense Department components.

These changes were prepared after receipt of component comments on an earlier draft, and concurrently with dissemination of the attached set of changes to the NFIC Secretariat dissemination also is being made to DoD intelligence components. It is possible this may result in a few changes.

It is our understanding that you are putting together all of the comments from NFIC members for dissemination to the NFIC members.

Once this has been accomplished, a joint review by an ad hoc working group of NFIC representatives might be useful to identify where there may be any issues for special NFIC consideration and where there is general NFIC agreement as to proposed changes.

A handwritten signature in dark ink, appearing to read "O. B. Seaton", is located above the typed name.

O. B. Seaton
Colonel, USA
Military Assistant to DUSD(P)

Enclosure

On file OSD release instructions apply.
